Spine Wave to Present at JPMorgan Healthcare Conference

Shelton, CT - January 4, 2007 – Spine Wave, Inc. announced today that it will be presenting at the 25th Annual JPMorgan Healthcare Conference on Monday, January 8, 2007 at the Westin St. Francis Hotel in San Francisco. Spine Wave’s Chairman and Chief Executive Officer, Mark LoGuidice, and its Chief Financial Officer, Carmen Diersen, will present at 9:30 a.m. Pacific time.

About Spine Wave, Inc.

Spine Wave, Inc., headquartered in Shelton, Connecticut is a medical device company focused on the development of clinical solutions for three of the largest and fastest growing spinal market segments: nuclear replacement and augmentation, vertebral compression fracture repair and spinal fusion. The Company’s product portfolio includes the NuCore™ Injectable Nucleus, the StaXx™ FX Fracture Repair System, the StaXx™ XD Expandable Device and several additional products in development. In February 2006, the Company closed its Series C financing, raising an additional \$36.5 million and bringing the total funds raised to date to \$90.0 million.
